

DOMINICAN COLLEGE FORTWILLIAM

Board of Governors Annual Report to Parents Academic Year 2024/2025

Address: 38 Fortwilliam Park, Belfast, BT15 4AQ
Telephone Number: 02890370298
E-mail: info@dominican.belfast.ni.sch.uk
Web Site: www.dominicancollege.org.uk

1. Introduction

The College's **Vision Statement** is: "Inspiring, Motivating and Empowering Learners". Our vision is to provide a child-centred, transformative and challenging educational experience, which shapes confident, aspirational, resilient and compassionate people. Through a holistic approach to education, pupils will be supported and empowered to become critical thinkers, excelling across a wide range of academic and extracurricular areas, building character and developing enduring friendships. Our pupils will be prepared to embrace the challenges and opportunities of a rapidly changing world, making a positive contribution to the wider community, while upholding the values of truth, justice, integrity and love.

Our **Mission Statement** is: "Dedicated to Truth and Respect, Committed to Realising the potential of all." In the tradition of our Dominican founders, all our work is informed by our Dominican values:

- **We see** the school as a community centred on Christ and so our values are those of the Gospel and our school motto VERITAS.
- **We acknowledge** the dignity and uniqueness of each individual, made in the image of God.
- **We seek** to base our relationships on mutual trust and respect.
- **We strive** to create a harmonious and safe environment where the gifts of each will flourish.
- **We elicit** the co-operation of our students in the pursuit of truth in all its forms so that they will learn to make informed judgements.
- **We uphold** the ideals of generosity, freedom, tolerance and responsibility in all areas of daily life.
- **We remain** open to the wider world – willing to adapt but always maintaining our Christian values.

As a Catholic school, the Christian Ethos of Dominican College permeates the life and work of the school and is reflected in its **aims**:

- We appreciate the fundamental dignity of each person and aim to promote respect for self, for others, the school, the wider community and the environment.
- We aim to create a safe, stable and harmonious atmosphere within which the values of truth, freedom, trust and responsibility are honoured.
- Within the context of a purposeful learning community, and recognising the uniqueness of each individual, we aim to offer a curriculum which enables every student to reach her full potential: spiritually, academically, morally, socially and aesthetically.
- We aim to promote the School's traditional appreciation of culture and the arts.
- We endeavour to equip all our pupils with the self-confidence and skills, which will enable them to make informed and responsible choices in life and appreciate the value of the contribution they can make to society.
- We encourage parental support in promoting the ethos and aims of the school and in building up the life of the school community.

The Board of Governors believes that these general aims provide a framework which indicates what the school believes in, what it aims to do for our pupils and the values we hope they will espouse. The whole curriculum, taught in the classroom and beyond, is designed to achieve these ends.

2. The Board of Governors

Introduction from the Chair of the Board of Governors

The aim of education in Dominican College Fortwilliam is to enable each pupil to reach her full potential spiritually, academically, morally and socially. We work in partnership with parents to ensure each pupil has the best possible opportunity to realise this aspiration.

Parents are the first educators of our children. Their co-operation and support is a vital element in this process. We therefore welcome opportunities which encourage parental involvement. These include Parent Teachers Meetings, Induction Evenings and Option Days. Careers Conventions, Prize Day, concerts, plays and lectures provide further occasions to strengthen this link. Our regular Masses during the academic year give us the opportunity to thank God for our successes and to seek continued guidance for staff and pupils. Our web page is a valuable way of keeping everyone informed about life in Dominican College Fortwilliam.

This report provides occasion for thanking you, the parents, for your ongoing support of the school. The attendance of so many parents and past pupils at our functions during the year gives us great encouragement.

In conclusion, the Governors of the school would like to thank the whole staff, pupils and parents for their unfailing commitment to the life and work of Dominican College.

Mrs Sheila Crea
Chairperson of the Board of Governors

The Board of Governors

The role of the Board of Governors is to manage the school to provide the best possible education and educational opportunities for all of our pupils. The Board sets the strategic direction for our school and takes corporate decisions in relation to the statutory functions of the Board of Governors. The responsibilities of the Board of governors include:

- Setting the school's vision and aims
- Establishing and maintaining the school's ethos
- Setting the school's plans and policies
- Monitoring and evaluating school performance
- Promoting self-evaluation to sustain school improvement
- Determination of the Curriculum and Curriculum Policy
- Admission of pupils to the college
- Appointing staff and determining responsibilities
- Financial governance
- Maintenance of the school estate

The Board of Governors consists of 9 voting members as well as co-opted members as follows:

BOARD OF GOVERNORS 2022-2026

Chairperson

Mrs Sheila Crea

Trustee Representatives

Mrs Sheila Crea

Fr Colin Grant

Mr Peter O'Brien

Dr Tony McGleenan

Department of Education NI Representatives

Mr Ciaran O'Grady

Miss Mairead O'Neill

Elected Parent Governor

Mrs Julie Huddleston

Elected Teacher Governor

Mrs Aislinn O'Reilly

Co-opted Members

Mr Donagh Finnegan

Mr David McGowan

Secretary

Mrs Lynda Catney

Clerk to the Board of Governors

Mr Declan Boyd

Annual Report of the Board of Governors

The Board of Governors of Dominican College is pleased to present to you the Annual Report for the academic year 2024/2025. This report has been compiled in accordance with Chapter 22 School Publications of the Department of Education Guide for Governors and under the guidance set out in the Department of Education Circular 2003/15 (School Information and Prospectuses). It is hoped that this Report will provide valuable information on the life and work of the school over the preceding year.

Ultimate responsibility for the overall management of the school lies with the Board of Governors. The full Board of Governors met five times in the school year. Members of the four sub committees, Finance, Admissions, Salaries, Salary Appeals and Discipline Committees met as required.

The School Financial Statements for the year ending 31st March 2025 were prepared by the Finance Committee of the Board of Governors. These statements were prepared in line with the Finance and Audit Arrangements for Voluntary Grammar Schools. The school ended the financial year with retained revenue reserves of £-30,310. A summary of the annual financial accounts is provided in Appendix A

Accommodation

The school has excellent accommodation which is maintained to the highest standard. The Board of Governors regularly review the provision of accommodation to ensure that it continues to meet the needs of the pupils. Governors also ensure that the school is compliant with relevant building and safety regulations. The school building is compliant with disability legislation.

Security

The Board of Governors in conjunction with school staff continually monitor the effectiveness of the existing security arrangements for pupils, staff, visitors and the protection of the school building and grounds. The school building and grounds are monitored by CCTV and the school employs its own security staff who operate during evenings and weekends.

3. Admissions and Enrolment

Admissions

Admission number $150 + 1 = 151$.

5 Statemented pupils (supernumerary) = Total 156 pupils in Year 8

Total applications: 217 Total selected: 150 + 1 + 5 Statemented

Grades admitted:

Band	1	2	3	4	5	6	Statement	Total	Applied
2024	64	14	29	41	3	0	5	156	217

Enrolment

The total number enrolled on 11th October 2024, the official school census date, was 1068.

The school's official enrolment for the Academic Year 2024/2025 was 1068. This number included a Year 8 enrolment of 156.

	Year 8	Year 9	Year 10	Year 11	Year 12	Year 13	Year 14	Total
Totals	156	166	150	164	170	129	133	1068
Statement	5	3	1	4	4	1	2	20
SEN	8	12	14	13	18	11	10	86
LAC	0	1	0	0	0	0	0	1
Newcomer	5	8	2	1	1	2	0	19
FSM	39	21	23	26	28	18	16	171 (16.0%)

4. Staffing

In 2024-25 the Board of Governors employed the Principal, 60 full-time and 6 part-time teaching staff, 1 Student Support Teacher, Head of Support Services, 6 administrative staff, 6 technicians, 19 classroom assistants, 10 cleaners, 10 catering staff, 3 study supervisors, 3 security personnel, 3 maintenance personnel and 3 language assistants.

4. Summary of Curriculum Policy

Curriculum Subjects

The curriculum is designed to ensure that all pupils are equipped with the understanding, knowledge, and skills to make a successful progression through each of the Key Stages. It aims to raise standards, provide stretch, challenge, and support for pupil's learning, always encouraging high aspiration. Technology is used effectively to support teaching and foster pupil engagement and collaboration.

The curriculum is delivered through a range of discrete subjects, with cross-curricular collaboration ensuring that the appropriate skills and learning capabilities are developed in pupils at each key stage. There is a particular focus on the acquisition and development of skills in speaking and listening, literacy and numeracy.

The school makes provision for delivery of the statutory elements of the curriculum in Key Stage 3 & 4 which include Learning for Life and Work, which is made up of Employability, Personal Development, local and global Citizenship and Home Economics (at Key Stage 3), as well as Religious Education. In addition, there is a discrete provision of CEIAG for all year groups with timetabled Careers classes for all year groups. At Key Stage 4, the statutory requirements are Learning for Life and Work, Physical Education (PE), Religious Education, CEIAG and Developing Skills and Capabilities.

Religious Education is a compulsory part of the Northern Ireland curriculum, although parents have the right to withdraw their child from part or all of Religious Education or collective worship.

The curriculum on offer to pupils at all key stages is regularly reviewed by the Curriculum VP, Senior Leadership Team and Head of CEIAG to ensure suitable pupil progression pathways from school, taking account of up-to-date labour market information and the entrance criteria for a broad range of Higher and Further Education organisations, training and the employment market.

JUNIOR SCHOOL – KEY STAGE 3 (Year 8 – 10)

A broad and balanced curriculum covering all areas of study of the Northern Ireland Curriculum is provided for all pupils. Pupils in Year 8, 9 and 10 study the following subjects:

Art & Design	History	Science
Drama	ICT	Spanish
English	Mathematics	Technology & Design
Food and Nutrition	Music	Citizenship
French or Irish	Physical Education	Employability
Geography	Religious Education	Personal Development

SENIOR SCHOOL – KEY STAGE 4 (Year 11 and 12)

The school offers 27 subjects at GCSE level. All Year 11 and 12 pupils study 9 GCSE subjects (or 10 subjects if Further Mathematics is taken). Religious Education, English Language, English Literature and Mathematics are all compulsory. (Learning for Life and Work is a statutory part of the curriculum but is not taken for GCSE). In addition, GCSE Gaeilge is offered as an After School class.

Pupils are encouraged to choose a balanced range of subjects and it is strongly recommended that they chose at least one Science and one modern language option. There is a comprehensive GCSE Subject Options programme for pupils and parents to ensure that they are in possession of all the relevant information to enable them to make well-informed and appropriate choices.

Art & Design	French	Mathematics
Biology	Further Mathematics	Media Studies
Business Studies	Gaeilge	Music
Chemistry	Geography	Physical Education
Design and Technology	Government and Politics	Physics
Digital Technology	Health and Social Care	Religious Education
Drama	History	Science (Double Award)
English Language	Home Economics: Food & Nutrition	Science (Single Award)
English Literature	Irish	Spanish

SIXTH FORM – KEY STAGE 5 (Year 13 and 14)

The school offers 26 subjects at A-level. Sixth Form pupils follow a two-year course of study taking AS Level examinations at the end of Year 13 and Advanced Level examinations at the end of Year 14. The school is an active member of the North Belfast Area Learning Community (comprising all the Post-Primary Schools in the North Belfast Area) which provides opportunities for collaboration with other schools in the group to enhance learning and widen choices for our A-level pupils. Subject to availability, pupils may, with the agreement of the Principal, chose subjects from the pre-agreed Collaborative block in a partner school within the North Belfast Area Learning Community.

An extensive Careers guidance curriculum alongside, Subject Options events, is designed to ensure that pupils make well-informed A-level choices, enabling them to choose appropriate and fulfilling Career pathways. All pupils must study 3 or 4 A-Level subjects taken from the following list:

Art & Design	Geography	Moving Image Arts
Biology	Government and Politics	Music
Business Studies	Health and Social Care	Nutrition and Food Science
Chemistry	Health and Social Care (D.A.)	Physics
Design and Technology	History	Religious Education
Digital Technology	Irish	Sociology
Drama Performing Arts	Life and Health Science	Spanish
English Literature	Mathematics	Sports Studies (BTec)
French	Media Studies	

Pupils who do not take A-Level Religious Studies must take a modular course (one period per week) in Religious Education.

5. Examination Results and Leavers' Destinations 2024/25

An analysis of GCSE and A-level results for 2025 is contained in Appendix B of this report. High standards have been maintained and the Board of Governors expressed its appreciation to staff and pupils for their dedication and commitment.

Year 14 Destinations 2024-25

Higher Education	Further Education	Employment/Training	Higher Apprenticeship
117	4	3	0

6. Pupil Attendance 2024/25

Year Group	% Attendance 24-25
8	94.8%
9	93.8%
10	92.4%
11	92.7%
12	91.8%
13	94.4%
14	91.9%
Overall	93.1%

Pupil absence by FSM band from DE for all Grammar Schools (Sep 24 – Jun 25) = 91.8%

7. Additional Educational Needs

School procedures are in place to identify students with additional educational needs. The school's approach for addressing this is embedded within existing good classroom practice and the pastoral care dimension of the school. It is the aim of the school to identify students with additional educational needs as early as possible, providing full access to a broad curriculum and ensuring that all students feel valued and have a positive self-image. There is a Learning Support Co-Ordinator, Learning Support Teacher and Classroom Assistants in the department. We are committed to Continuing Professional Development for all staff with a strong focus on Autism and Dyslexia. It is a central focus of the SEN department to develop an Autism and Dyslexic friendly school by providing quiet spaces, adjustments to the curriculum, lunchtime clubs and friendship groups. Where appropriate, access arrangements are provided in both internal and external examinations for those pupils on the register.

8. Careers

We endeavour to equip all of our pupils with the self-confidence and skills, which will enable them to make informed and responsible choices in life and appreciate the value of the contribution they can make to society. A well-established Careers programme for Year 8 – 14 pupils, encourages Career awareness and the development of a Personal Career Plan from an early age. The school hosts a bi-annual Careers Convention and has established strong links with local and international employers and academic institutions. These are utilised to ensure worthwhile work experience and reflect current labour market information. Details of CEIAG event for 2024/25 are outlined in Appendix C.

9. Extra-Curricular Activities

We believe that participation in extra-curricular activities is crucial to the all-round education of each pupil. It develops self-esteem and interpersonal skills as well as forging friendships and a sense of belonging. We offer a varied programme of extra-curricular activities and encourage all pupils to get involved. Details of sporting events and competitions is detailed in Appendix D.

There are many leadership opportunities provided for pupils and particularly successful initiatives in 2024/25 were “SistersIn”, “Soroptimist Competition”, Bar Mock Trial”, “Barnardo’s Leadership programme” and a the “TAMHI” Mental Health programme. The schedule of Extra-curricular Clubs and Activities in Dominican College for 2024/25 is contained in Appendix E. The calendar of trips and other events can be found in Appendix F.

10. Religious Education, Community & Charities

As a Catholic school, the Christian ethos of Dominican College permeates the life and work of the school and pupils are encouraged to become active contributors to the local and global community. All pupils are actively involved in charity campaigns, including the Trocaire campaign during Lent, St Vincent de Paul Hamper and Toy appeal at Christmas, as well as the Shoebox appeal. In 2024/25 our pupils, once again, participated in the Saphara project. This is a shared education project, which empowers and equips our sixth-form pupils to work collaboratively with pupils from other schools to provide support for newcomer children. A detailed report from the Religious Education Department is contained in Appendix G.

Income and Expenditure Account for The Financial Year Ended 31st March 2025.

RELIGIOUS EDUCATION DEPARTMENT

Our Departmental Vision

Religious Education is more than just one subject in the curriculum. In Catholic schools it is the core of the 'core curriculum'". (Pope St. John Paul II)

- To provide a high-quality, holistic, pupil-centred education based on the gospel values of love, respect for life, truth, and justice.
- To encourage and develop personal faith and to build and deepen their relationship with God.
- To raise awareness of the faith and traditions of other religious communities to foster respect and understanding of other cultures and traditions.

The outcome of excellent Religious Education is religiously literate and engaged young people who have the knowledge, understanding, and skills to reflect spiritually, and think ethically and theologically, and who are aware of the demands of religious commitment in everyday life.

Religious Education Directory.
